Project synopsis:

Turkey is becoming increasingly active in EU neighborhood and its development assistance in the Western Balkans, Eastern Europe and Southern Mediterranean has grown rapidly. The V4 as a group can benefit a lot from learning more about potential for cooperation between Turkey, the V4 and EU. This project will propose prospective fields of V4-Turkey cooperation and suggest strategies for strengthening of ties. It's main outputs are 1 policy paper, 4 short articles and an international workshop.

Events:

International Conference 27 April 2016

Turkey and EU in Common Neighborhoods: Perspectives from the V4 and Germany

Date: 27 April 2016

Time: 9:15-16:00

Location: The Mirror Hall of the Czernin Palace of the Ministry of Foreign Affairs of the Czech Republic
