Dear friends and valued colleagues!

I cordially invite you to submit your proposals for the 16th edition of the annual flagship conference in Finance, Risk and Accounting. This year our host is the renowned Hughes Hall College of the University of Cambridge in the picturesque setting of Cambridgeshire, UK.

As every year lots of networking opportunities, proceedings with an ISBN number, many partner-journals and an intense social side program provide the frame of this annual three-day conference in Finance, Risk and Accounting Perspectives. The "Perspectives" series of conferences invite an inter-disciplinary global academic audience from all related fields to enable an exchange of ideas and build new research partnerships. In the course of the 16 years of this conference, we have been invited amongst to Helsinki, Steyr, Prague, Oxford and Cambridge.

Besides the traditional streams, this year's motto is "Sustainability and Risk: Environmental, Social and Governance Perspectives". Workshops, networking and great discussions will guide the 16th edition of the annual flagship FRAP conference.

Yours,

Prof Othmar M Lehner, Conference Chair

Professor of Finance and Risk, Director ACRN Oxford Research Centre

Vice Dean for Research, University of Applied Sciences Upper Austria

Professorial Fellow, Smith School of Enterprise and the Environment, University of Oxford
