IV International scientific-practical conference
ECONOMIC DEVELOPMENT: PROCESSES AND TENDENCIES
Will be held on **April 26th 2017**, during the International week (April 24-28, 2017)
This is a great opportunity to take advantage of the Erasmus+ program options!

Organizers of conference:

Vilniaus kolegija / University of Applied Sciences, Faculty of Economics
National Insurance Brokers 'Association

Scientific Committee:

Chair – Dr. Aušra Liučvaitienė, Vilnius Gediminas Technical University, Faculty of Business Management, Associate Professor (Lithuania)

Members: Prof. Dr. Krystian Pera, University of Economics in Katowice, Professor (Poland)
Prof. Dr. Rasa Subačienė, Vilnius University, Faculty of Economics, Professor (Lithuania)

Dr. Jaroslav Swida, Cracow University of Economics Associate Professor (Poland)

Dr. Kleanthis Sirakoulis, (Graiķija); University of Applied Sciences of Thessaly/ TEI of Thessaly Associate Professor (Greece)

Dr. Deedar Hussain Pathan, NED University of Engineering and Technology Associate Professor (Pakistan)

Dr. Erika Kubilienė, Vilniaus kolegija/University of Applied Sciences, Head of Scientific department, Associate Professor (Lithuania)

Dr. Dalia Daujotaitė, Mykolas Romeris University, Faculty of Economics and Finance Management, Associate Professor (Lithuania)

Dr. Erstida Ulvidienė, Vilnius University, Faculty of Economics, Associate Professor (Lithuania)

Dr. Tadas Gudaitis, Vilnius University, Faculty of Economics, Associate Professor (Lithuania)

Dr. Agnė Šimelytė, Vilnius Gediminas Technical University, Faculty of Business Management, Associate Professor (Lithuania)

Dr. Mantas Valužis, Chief Specialist of Science Policy and Assessment Unit of Research Council of Lithuania

Secretary – Violeta Baltrūnienė, Vilniaus kolegija/University of Applied Sciences, Faculty of Economics, lecturer

Organizing committee:

Chair – Asta Pikilienė. Vilniaus kolegija/University of Applied Sciences, Dean of the Faculty of Economics

Members: Nijolė Kašėtienė, Vilniaus kolegija/University of Applied Sciences, Vice-Dean of the Faculty of Economics

Gitana Mečėjienė, Vilniaus kolegija/University of Applied Sciences, Head of Banking Department of the Faculty of Economics

Daiva Malakaitė, Vilniaus kolegija/ University of Applied Sciences, Head of Investment and Insurance Department of the Faculty of Economics

Jolita Naujalienė, Vilniaus kolegija / University of Applied Sciences, Faculty of Economics, lecturer

Ingrida Galkauskienė, Vilniaus kolegija / University of Applied Sciences, Faculty of Economics, lecturer

Danguolė Ignatavičiūtė, Vilniaus kolegija/University of Applied Sciences, Faculty of Economics, lecturer

Santa Mirauskienė, Vilniaus kolegija/University of Applied Sciences, Faculty of Economics, manager

Ana Sabaliauskienė, President of National Insurance Brokers' Association

WELCOME TO IV INTERNATIONAL SCIENTIFIC-PRACTICAL CONFERENCE
ECONOMIC DEVELOPMENT: PROCESSES AND TENDENCIES

Conference proceedings topics:

1. Sustainable Economic Development and Prospects.
2. Organizational development trends and problematic aspects.
3. Labour market development and challenges
4. Prospects and Challenges of Insurance Market Development.
5. Issues of Regional Social-Economic Development.
6. Harmony of creativity, innovation and entrepreneurship.
7. Innovation impact on the competitive environment.
8. Public Economics and Public Finance.
9. Corporate Governance, Finance, Accounting, and Auditing: Problems and Prospects
10. Problems and Tendencies of Banking Sector Development
11. Business development problems and perspectives
12. Modern taxation systems: tax planning and national competitiveness.

The peer-review proceedings of International scientific-practical conference ECONOMIC DEVELOPMENT: PROCESSES AND TENDENCIES is published by the Faculty of Economics, Vilnius kolegija / University of Applied Sciences. In conference proceedings, both theoretical and applied research papers, analysing the problematic cases of economics and management, are published.

Conference proceedings have been published since 2011 every second year. In the conference proceedings, papers in English and Lithuanian languages are published. All published papers are blind peer-reviewed.

Please fill in [Registration form](#) by **January 16th 2017**.

Please send full paper by **February 20th 2017** by e-mail conference@ekf.viko.lt

Conference fee 40 EUR

Method of payment – money transfer to the bank account.

Receiver of money: Vilnius kolegija / University of Applied Sciences

Name of the bank: AB SEB bank

Account No. (IBAN): LT767044060001472160

SWIFT: 70440

Purpose of payment: Registration fee for the Conference

Conference languages: Lithuanian, English.

Presentation time: limited to 15 min.

The accepted conference papers will be published in electronic format.

Requirements for Papers:

TITLE OF PAPER¹

Author(s) name(s), surname(s)

Institution, email address

Abstract

It is a short summary of the main ideas of article. The research object, the aim of the study, the study methods, results, and conclusions should be specified. Text is limited to 200-250 words.

There are 4-7 keywords which are separated by commas.

Introduction

There should be specified the object and purpose of the research, the relevance of the topic, the problem, problem investigation level, a review of reference list and applied research methods.

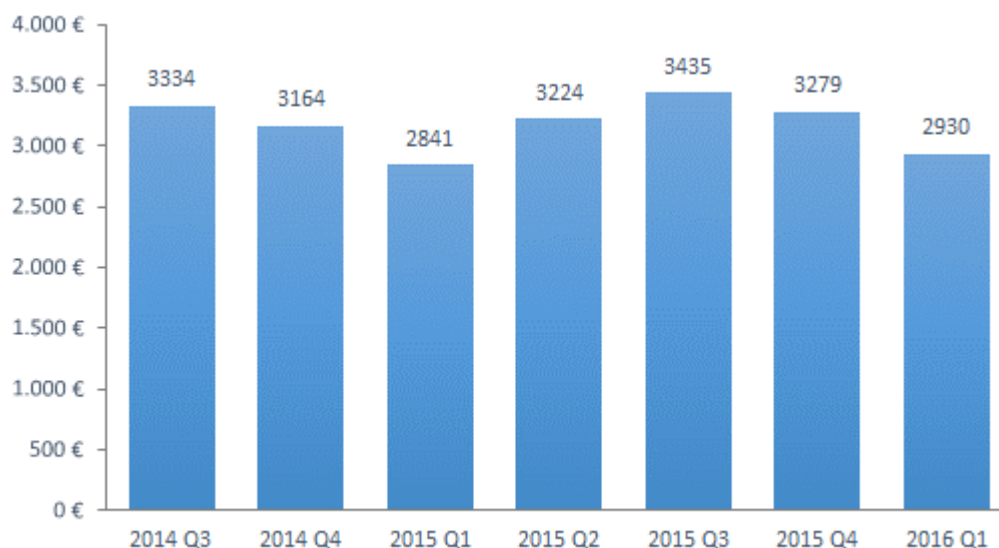

Main Text

This text sets out and justifies the study results. It is recommended logically divide text into sections. Titles of sections have to fulfil their contents. Sections names are numbered in one Arabic numeral, subsections are numbered in two Arabic numerals. All the authors works mentioned in the text have to be included in the reference list. References to the source are in parenthesis with authors surname and year of publishing, e.g.: (Skousen, 2016; Gerber, 2014), (Mackevičius, J., Subačienė, R., 2016), (Ulrich 2012a, 2012b). If there are more authors, only the first author's surname is pointed, then et al, e.g. (Browning *et al.*, 2014). Mathematical formulas (expressions) are printed only in *Microsoft Equation Editor Times New Roman* 11 pt font size. Formulas are numbered in Arabic numerals in parentheses at the right edge of the text.

$$D = b^2 - 4ac \quad (1)$$

Illustrations, diagrams, pictures are consecutively numbered in Arabic numerals with a title (no dot after title) e.g.:

¹ Short and informative. No contractions. Title is in Lithuanian and English. If article is in Lithuanian, the title in English is presented before the summary in English. If article is in English, the title in Lithuanian is presented before the summary in Lithuanian.

1 picture. GDP per capita in 2014-2015
(Source: Statistics Lithuania data, 2016)

Tables are inserted into text. They are numbered consecutively in Arabic numerals indicating the title (no dot after title), e.g.:

1 table. Paper font size and style used in paper

Parts of paper	Font size	Font style
Title (capital letters, centered)	14	BOLD
Author/s (small letters, centered)	12	Bold
Organization (small letters, centered)	10	<i>Italic</i>
Abstract (small letters, aligned through entire sheet)	10	Normal
Keywords, (small letters, aligned through entire sheet)	10	Normal
Basic text(aligned through entire sheet)	12	Normal
Sections titles (small letters, aligned to the left edge)	12	Bold
Reference list aligned through entire sheet)	10	Normal
Summary (English) (small letters, aligned through entire sheet)	10	Normal
Information about author aligned through entire sheet)	10	<i>Italic</i>
Mathematical terms (centered)	11	<i>Italic</i>
Tables titles (above the table, aligned to the left edge)	11	<i>Italic</i>
Text in the tables	11	Normal
Illustrations' titles (below the illustrations, centered)	11	<i>Italic</i>
Text in illustrations	11	Normal

(Source: authors concluded)

Illustrations, diagrams, pictures, tables and mathematical formulas with explanations are printed where the text mentions. It is necessary to specify the source of information

The paper should be prepared in *MS Word* format. Text is printed in *Times New Roman* font type (1 table), A4 size sheet. Text alignment is reciprocal. Single line spacing. Top and lower margins- 2 cm, left margin - 3 cm, right - 1cm. First line indentation – 1,25 cm.

Paper volume: 6-8 pages.

There should be single line spacing between the paper title and authors name and surname, section title and text, text and formula, text and table, text and illustration.

Pages should be numbered in lower margins in the middle in Arabic numerals without dots and dashes.

Conclusions

Summarised results of research are presented. No quotations and references to the sources in conclusions.

Reference list

Not numbered. Only quoted sources in the paper are presented. Preferably the newest sources published within the last five years would be included into reference list. It is listed in alphabetical order in original language.
