

Sales assistant (German speaking)

We are looking for a part-time employee responsible **for customer service**. Work content is researching information about companies and markets (photovoltaics), preparing documents – market overviews, presentations, translations and contacting clients. After the training it will be necessary to gain an appropriate knowledge of terminology, principles and overview in photovoltaics. The position is especially suitable for university students of economics and/or technical fields. Possible to start immediately.

We require:

German on the level of a native speaker

Precision and reliability

Logical/analytical thinking, positive attitude towards technology

Advanced knowledge of PC (MS Office / Libre Office) and Internet

Ability to present results clearly

Advanced knowledge of English and/or Czech

We offer:

Variety of work

Time flexibility

Bonuses

Possibility of promotion to the position of sales representative

Please send us your structured CV in English with a photo to the e-mail address: **hr@solarity.cz**.
